Ice Bear And Whoever

"Hey dude, maybeâ€¦we should take it easyâ€¦"

"Ice Bear doesn't recall of the word 'easy'."

Ice Bear was in a match with a tough-looking guy, and it seems as if the tough guy was losing. The tough guy's name was Hilbert.

Ice Bear pinned Hilbert down on the mat and kicked him in the shins. "Ice Bear will spare your life," he said soullessly, and got up and left the room without helping Hilbert up.

As Ice Bear moved his legs slowly, he tripped on a banana skin. He got up and picked it up.

"Ice Bear hates tripping," Ice Bear grumbled, throwing the banana skin. He heard an "ow" in the distance. The person walked towards Ice Bear, picking the banana skin off and cleaning their face.

"Ice Bear sincerely apologises," Ice Bear said while bowing. The person smiled. The person seemed to be a female.

"I'm a huge fan," the female giggled. "My name is Grace."

"Ice Bear did not know Ice Bear was famous. Ice Bear is dumbstruck," Ice Bear replied.

"Yeah, you're really known for your personality around here. And I'm a big fan of yours," Grace smiled.

"Ice Bear will now return your affections," Ice Bear said. Ice Bear pulled out a bent dollar and handed it to Grace.

"Ice Bear never really needed it," Ice Bear said. Grace quickly took the dollar and smelled it. She happily hopped away. At that moment, a mysterious figure popped out.

"Hello Ice Bear, It seems you're very popular," the figure beamed.

"Ice Bear wants to cherish these moments while they last," Ice Bear nodded.

"Maybe you can. You will come into contact with many different females around the world. Some might be as popular as you," the figure told him.

"Ice Bear wants to collect girls like candy bars," Ice Bear answered, seeming to agree.

"S-sureâ€¦put it t-that wayâ€¦" the figure stammered, slightly nauseous to Ice Bear's idea of befriending women he's never met before.

The figure turned to head away when Ice Bear stopped him. "Ice Bear thinks there's a catch," Ice Bear said.

"Maybe there is. How about this. You can't decide who you'll meet, the reviewers will," the figure pointed out.

Ice Bear walked towards the screen and knocked on it. "Ice Bear should have noticed there was an audience," he said emotionless.
